\*sort (v): phân loại

\*process (v): xử lý

**B. Read the following passage and decide whether the following statements are True (T) or False (F) (1.0pt).**

Life in 100 years will be very different from now. We will travel by flying car. All we will need to do is to choose a place on a screen inside the car. Then, we will just sit and relax because the car will drive itself. The car will take us anywhere in a very short time. Traffic problems will be the thing of the past. Also, we don't need to go to the supermarket to do the shopping. We will buy things from home with a click of the mouse on the computer. We will have holidays on others planets. We won't have to do the housework as our robots will do all the housework for us.

Statement	T	F
26. Life in 100 years will be very different from now because we will travel by flying car.		
27. If we want to go to a place, we will choose the place on a screen inside the car.		
28. The flying car will take us anywhere in a very long time		
29. Traffic problems will become serious.		
30. The robots will do the shopping for us.
